To whom it may concern:

The enclosed report reflects two in-kind donations from NRCC. Friends of Roy Blunt received these amounts in September of 1997. We should have reported them in the previous report; however, we did not receive any notice of the correct amount until February of 1998. Therefore, we reflect the amounts in this reporting period instead. Because of the immaterial amount, we do not feel that an amendment is in order.

Also, please note that in the previous report we reported contributions from the Mid-American Dairy PAC. They absorbed this PAC into the Dairy Farmers of America PAC, when the two companies were consolidated earlier this year. Therefore, we should combine these amounts to reflect the amount of contributions received by the remaining PAC.

If you have any additional questions regarding the report, please contact myself, or my Deputy Treasurer, Jeff Shore.

Sincerely,

Gordon A. Elliott, CPA
